

in each craft involved in the performance of the contract work. All solicitations for construction contracts shall reference the affirmative action requirements and the offeror's obligation to make good faith efforts to employ women in craft positions.

(3) Pursuant to the OFCCP order dated August 30, 1976, agencies shall develop "Special Bid Conditions" for use on high impact projects in non-plan areas. These special bid conditions will include mandatory goals and timetables for the utilization of minorities. The Procurement Executive using the criteria issued by OFCCP will determine those projects that are "high impact." The contracting officer is responsible for compliance with policies and procedures contained in the OFCCP "Construction Compliance Program Operations Manual." Language for inclusion in solicitations or contracts contained in the manual may be modified, provided all of the requirements are retained. The contracting officer shall develop the goals and timetables and shall confer with the appropriate OFCCP regional office. The Office of Civil Rights will provide assistance as necessary, when requested. Special bid conditions will be submitted by the contracting officer to the appropriate OFCCP regional office for approval unless otherwise directed by the Procurement Executive. When special bid conditions are applicable, adequate presolicitation lead time should be allowed for submission of the special bid conditions to OFCCP national and regional offices.

(c) An attempt to limit in any major respect the equal opportunity requirements included in an invitation for bids or request for proposals for a construction contract shall constitute grounds for a determination that the offeror does not qualify as a responsible offeror and for rejection of the bid or proposal. In the case of construction acquisition by DOE prime contractors, this determination shall be made only with the approval of the DOE contracting officer.
